

SELLER BEWARE

Please be advised if you place your ad on this website, and if you additionally place your RV on consignment at an RV dealer, then the paperwork you signed may indicate the sale of your RV must go through the dealer, and you would be responsible for the appropriate fees, even if the buyer did not know of the consignment.

Version April 29, 2025

RVs for SALE

Matt 23:11: But he who is greatest among you shall be your **servant**.

Mark 9:35: If anyone desires to be first, he shall be last of all and **servant** of all.

To insert an ad on this page, simply email a description of the RV you wish to sell with sale price, up to 5 digital pictures (exterior, interior), your name, email address, and/or your telephone number to

webmaster@sowerministry.org

Please advise using the same link above when you have sold your RV. Thanks.

RVs are listed by category and by date listed, with most recent listings appearing first in each category.

FIFTH WHEELS

2018 Cedar Creek Champagne Edition (38EL) (updated 241106)

This served as the home to my wife and me for 5 years while we worked as property managers at a Christian Youth camp (Still Water Ministries, Harper, TX). It has a grand total of 55 miles on it, from the dealer to the camp. There is a slight tear on the Lazy Boy recliner head rest and the audio sound system "blew a fuse" and parts for that model are no longer available. We never used it anyway. All three TVs are in great shape including the one in the living area, the bedroom and the one under the outside awning. Great for when you're cooking outside. It has a wine cooler and a frig in the bedroom closet. Never used it. Opted for more closet space as opposed to a washer and drier. With dual kitchen sinks on the island we opted for more kitchen cabinet space vs a dish washer. Ice trays the old fashioned way took the place of the ice maker following the big freeze in '21. We simply put a cut off in the line to the frig as opposed to repairing it. The electric fire place not only provides a nice ambiance, it really does help in heating up the living area. And the three ACs came in real handy during these Texas summers.

~~\$65,900~~ **\$56,000** Negotiable
